VENUE

Samtse College of Education, Samtse: Bhutan.

In addition to your professional experience in ICESWPE2019, you will have the occasion to visit Bhutan. Bhutan is a unique country both culturally and environmentally. Perched high in the Himalayas, it is the world's last remaining Buddhist Kingdom. It has developed the philosophy of Gross National Happiness; where development is measured using a holistic approach of well-being, not just based on gross domestic product. Come and live this unique experience at ICESWPE2019

International Conference on Emerging Social Work Practices and Education (ICESWPE2019)

OVERVIEW

You are invited to participate at **ICESWPE2019**

This conference will provide the ideal opportunity to present your projects and experiences to an international audience. Also, it will offer participants an overview of the current situation of social work practices and social work education innovations.

This conference is for you to:

- Initiate dialogue on social work in the Bhutanese society and to promote professional social work education and practices of Bhutan;
- Bridge Bhutan's cultural and social work values with the professional knowledge, skills and attitude that come from modern mainstream social work education imparted worldwide;
- Provide an opportunity for researchers and practitioners to experience the GNH infused Bhutanese perspective of social work education and reflect on its importance and to discuss the challenges of social work education worldwide with a specific focus on South Asia;
- Provide opportunity for the participants to listen to and share good practices and broaden their perspectives on social work profession and education.

A UNIQUE PLATFORM

For social work field practitioners, activists, NGO workers, researchers, and academics to come together and initiate dialogue in Bhutanese society and promote professional social work education and profession.

The conference will bring together over 100 delegates from 50 different countries.
